Play It Smart History and Background

- Launched in 1998
- Major support of the NFL and the NFL Players Association
- More than 11,000 participants with 135 high schools in 35 different states
- 88% of participants from minority backgrounds in underserved areas
- Academic coaches trained and supervised by nationally respected sport psychologists at Springfield College

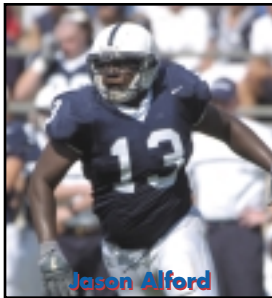

Ted Ginn, Jr.

National Results

- 98% of participants graduate high school compared to a national rate of 86%
- 80% of seniors enroll in college, compared to 64% of their peers
- Participants complete more than 25,000 hours of community service annually
- Teams with fewer than 40 players increase their rosters by more than 35%
- 97 graduates currently playing at the NCAA Division I-A level
